Barely gettin' by It's all takin' and no givin'

They just use you mind And they never give you credit

B

E

It's enough to drive you Crazy if you let it

Nine to five for service and devotion

You would think that I would deserve a fair promotion

Want to move ahead but the boss won't seem to let me

I sweat sometimes that man is out to get me

**They let you dream just to watch 'em shatter  
You're just a step on the boss man's ladder  
But you've got dreams he'll never take away  
In the same boat with a lot of your friends  
Waiting for the day your ship 'll come in  
The tides gonna turn and it's all gonna roll you way**

**What a way to make a livin'  
Barely gettin' by It's all takin' and no givin'  
They just use you mind And they never give you credit  
It's enough to drive you Crazy if you let it**

**They got you where they want you  
There's a better life and you think about it don't you  
It's a rich man's game no matter what you call it  
And you spend your life putting money in his wallet**

**What a way to make a livin'  
Barely gettin' by It's all takin' and no givin'  
They just use you mind And they never give you credit  
It's enough to drive you Crazy if you let it**
